**COMMENTS FOR
APPLICATION TO TILE OPEN DITCH**

SIZE OF PIPE REQUIRED: _____

TYPE OF PIPE RECOMMENDED: _____

Pipe in open ditch shall be laid on six (6") inches of stone bedding. The material shall be No. 67 or No. 411 limestone conforming to the State of Ohio, Department of Transportation Construction and Material Specifications.

Finish grade of pipe invert (inside bottom) shall be approximately _____ below existing ditch grade.

Provide surface drainage away from road. Minimum slope shall be one (1") inch per foot on seeded turf shoulders to centerline of existing ditch. Then grade ground from centerline of existing ditch to private property according to property owner's requirement.

Acceptance of the final installation subject to the approval of the Henry County Department of Highways.
